

CLEANING PUTTY THAT REMOVES DEBRIS FROM NOOKS & CRANNIES

UP TO
50
USES

What is Splat?

Splat is a reusable high viscosity putty which is applied to your car's nooks & crannies. Simply knead, press & peel Splat and it will catch the dust & debris that collects in those hard to reach areas.

Splat will continue to trap the dust & debris inside the putty and is reusable over and over again!

- Reusable Up To 50 Uses
- Non-Stick Formula
- Leaves No Residue
- Biodegradable & Eco-Friendly

Knead!

Press!

Peel!

Clean deep inside your air vents!

Clean inside your gear shift box!

Clean behind your door handles!

DON'T JUST CLEAN YOUR CAR - SPLAT IT!
